

## "OPTING-OUT" of Mail Solicitations

At Providence Home Mortgage, one way we suggest to cut down on credit and insurance offers is to "Opt-Out". By having a mortgage, you may be susceptible to receive offers from solicitors showing Providence Home Mortgage as the sender. Mortgage information is public knowledge and is often acquired from the local municipality by solicitors. Please note: We *DO NOT* sell your information to any third party, nor do we send solicitations for offers of credit, insurance or bi-weekly payment plans. As always, if you receive anything of question in the mail regarding your loan, please do not hesitate to contact us.

Below (right) is the home page of: <http://www.OptOutPrescreen.com>  
This website allows you to opt-out of receiving unsolicited offers by entering basic information. You may permanently opt-out or choose to do so for only 5 years. You may also opt-in if you have previously opted-out and now want to reverse that decision. The site is safe, legitimate, and secure. Attached, you can find answers to some frequently asked questions about opting-out. You may also call us at any time if you have any further questions. If you decide you would like to opt-out, please visit the website listed above.

Another way to eliminate solicitations via mail is by submitting your information to the DMA (Direct Market Association) to be removed from their list. You can find information about this list at: <http://www.dmaconsumers.org/cgi/offmailinglist> (below left)
